I have a longstanding respect of Ben Evans of Photo Images by Ben. Not only is he a fantastic person, family man and friend, he is a capable and talented photographer. As the Marketing & Communications Manager of the DeKalb Chamber of Commerce, part of my job is to find photographers that can commit and deliver photographs that convey the messages of networking the Chamber strives to impress upon its clients and potential customers. Ben made this part of my job easy and delivered time and again just what was needed for the events I plan. I recommend his services and continue to applaud his business acumen.

Sincerely,

Janniece Leonard
