Dear Ben:

Thank you so much for documenting the first annual Atlanta Holiday Bazaar: Benefit for the Georgia Delegation of Pink Ladies Power.

From the very beginning of our introduction to Photo Images by Ben (PIBB), you and your staff were very attentive, professional and accommodating with our special requests. The photographs you took at the event were outstanding, and your attention to detail from the entrance of the venue to the guests on the Red Carpet was phenomenal. The overall slideshow that you produced from the photographs told a story to the viewers and documented various facets of the entire evening from beginning to end.

We are pleased to name Photo Images by Ben the “Official Photographer” of the events sponsored by Diamond Devereaux Enterprises and our subsidiaries for the year of 2009!

Ben, my company has worked with many photography professionals over the years, but I have to tell you that Photo Images by Ben is truly the best I have worked with in my 20 years in business!

May God bless you and your staff! Much success with all of your future endeavors!

Sincerely,

Diamond Devereaux
